Student Awards Report
2016/17
Before the Graduation Awards Ceremony in June, our Director of Student Services and Registrar, Nelson de Melo, asked our graduating students to tell him where they were headed after they graduated. During the ceremony, as students received their well-earned accolades, Nelson read each student’s future plans – and what an inspiring recitation!

From law school or medical school, Chemistry at Oxford, experimental high energy physics at the University of British Columbia, Architecture and Urban Studies at Cambridge or Victorian Literature at UofT, our students are testimony to all that can be achieved with an exceptional undergraduate education.

And that is our goal at Trinity College – the goal of every faculty and staff member – to see our students thrive, and graduate academically and personally prepared to take on the challenges and opportunities Canada and the world can offer.

That’s why so much of our day-to-day focus is on removing barriers between our students and their goals. Financial concerns are often among the most imposing barriers for students and their families. Our Student Services staff works individually with each of our students to ensure they have the financial support they need to start and continue their studies and to flourish.

Fostering a lively and diverse academic environment regardless of financial circumstances is not just something Trinity College and the University of Toronto aspire to – it is a commitment we are able to honour each year with the generosity of our alumni and friends.

Thanks to generations of like-minded alumni, Trinity is proud to award Divinity and Arts & Science students over $1 million in student awards annually. Through over 800 bursaries, scholarships and prizes, Trinity celebrates all aspects of life at the College – athletics, homiletics, leadership and academic achievement.

We could not do this without you. Please accept our profound gratitude for investing in our collective future by supporting Trinity’s bright and thoughtful students!

Mayo Moran
Provost & Vice Chancellor
Trinity College Student Award Recipients

I often find myself wondering if I’m heading in the right direction, or if I am just lost, wandering around in circles. This changed after I was awarded a Chancellor’s Scholarship from the Hortense Wasteneys Fund. Scholarships do not only represent money. They represent validation and encouragement. They tell students “Good job, keep up the great work!” – So what I really want to say is thank you. Your generosity is helping students understand that they’re doing just fine.

Thank you for showing me that the direction I’ve been heading toward was right this whole time!”

Trinity College Student Awards Report 2016/17
I am so grateful for the bursary, as it will allow me to focus on my studies instead of finding another job to tide me over to next term. I am in my 3rd year of studies, with a major in Italian and minoring in Spanish and Portuguese. At this crucial juncture in my education, it is highly important that I maintain an excellent GPA in order to be considered for graduate studies, and your generosity has greatly facilitated this.

Kelsey Cunningham 1T8
The Brian Morgan Scholarship in Law

Brian Morgan graduated from Trinity in 1973 and was awarded a Rhodes Scholarship. He received a B.A. (1976) and M.A. (1978) from Oxford University and completed an LL.B. in 1977 at Dalhousie University with the highest standing. His distinguished academic record took him to the Supreme Court of Canada, where he clerked for Justice Brian Dickson, later Chief Justice.

As a partner at Osler, Hoskin and Harcourt, Brian was involved in groundbreaking cases, including the first case decided by the Supreme Court of Canada under the Charter of Rights and Freedoms. Despite a busy career, he found time to teach a course in civil liberties at the University of Toronto’s Faculty of Law. Brian was instrumental in developing Osler’s reputation as a leader in offering pro bono legal services. He chaired the community legal program for 17 years, and under his supervision, lawyers at his firm contributed more than 2,500 hours a year to worthy causes.

As a member of the Trinity College Board of Trustees, he was committed to the well-being of every aspect of college life. A distinguished lawyer, dedicated Trinity alumnus and devoted family man, Brian Morgan died March 19, 2007 at age 56.

Established in 2009 by Cosma International Group of Magna International to honour Brian Morgan’s work on behalf of the company and by his family, the Brian Morgan Scholarship in Law is awarded annually to a graduating Trinity College student who is accepted into a Faculty of Law at a university in Canada. The award recognizes the student’s high academic standing as well as their co-curricular contributions to the College, and the wider university and community while in their undergraduate studies.

To mark the 10th anniversary of Mr. Morgan’s death, two scholarships were awarded to Monica Layarda and Amitpal Singh, and several of the nine past recipients attended the Graduation Awards Ceremony with members of Mr. Morgan’s family.

Above: Ann Wilton 7T6 and son Eric Morgan with Samuel Green 1T3, Amitpal Singh 1T7, Sarah Hisun Yun 1T0, Monica Layarda 1T7 and Nadia Zaman 1T2.

As I prepare to graduate, I am taking time to reflect on my undergraduate years. The connection between financial support and academic success is more than simply a correlation. By being able to pursue cancer and HIV research, I’ve found a direction in life that I would not have found otherwise.”

Recipient Listing

Every effort has been made to ensure the accuracy and completeness of the listing of student awards granted during the 2016/2017 academic year. Not all established awards are given out every year, based on the availability of qualified recipients who meet the terms of the award or other circumstances—these awards are marked NA for “not awarded”. For the purposes of the listing, students have the option to maintain their privacy by requesting anonymity. Such requests have been honoured through the listing of “Anonymous Recipient/Anonymous”.

General Award Information

**Admission Scholarships:** All eligible applicants to Trinity College are automatically considered for admission scholarships and recipients are notified of the scholarship in their offer of admission. Trinity College awards approximately 90 scholarships per year to incoming first year students from all provinces. These range in value from $1,000 to $3,500 for one year.

**In-Course Scholarships:** All Trinity students are automatically considered for Trinity College in-course scholarships at the end of their first, second and third years. In order to qualify, a student must complete a minimum of 4.0 credits during the Fall-Winter academic year in question. Scholarship recipients are selected based on their Annual Grade Point Average (AGPA). There is also a wide range of in-course scholarships that require an application.

**Bursaries:** Trinity College bursaries are non-repayable awards designed to assist Trinity College students who have explored all other avenues of financial assistance and who still demonstrate financial need. All bursaries require an application.

**Graduation Awards:** All graduating Trinity students are automatically considered for Trinity College graduation awards. Awards recipients are selected based on their Cumulative Grade Point Average (CGPA). The cut-off CGPA for graduation awards changes each year depending on the number of students eligible for consideration.

For information on the application and selection process for Student Awards please visit www.trinity.utoronto.ca or contact: Nelson De Melo, Director of Student Services & Registrar, at 416-946-7614 or demelo@trinity.utoronto.ca

Student Appreciation and Contact

Trinity College students are extremely grateful to benefit from donor support and all student award recipients are encouraged to prepare a thank you letter to the donor of their award. Most students welcome the opportunity to express their appreciation in person. Trinity College also hosts two annual awards events—the Student Awards Reception in the fall, and the Graduation Awards Ceremony in June—to which donors are encouraged to attend.

If you would like to meet the recipient of the award you support, have questions about your award, or would like additional information about supporting Trinity College’s Student Awards Program, please contact: Meredith Meads, Associate Director, Major Gifts & Gift Planning, at 416-946-7371 or meredith.meads@utoronto.ca
