Few things are more rewarding than contributing to the success of our students. That is why so many of our alumni and friends choose to support student awards through their annual gifts, gifts in their Will or through special gifts made by Reunion Classes.

During the 2017/2018 academic year, your support helped make it possible for Trinity College to award $1.05 million through over 800 donor-funded scholarships, bursaries and prizes to our undergraduate Arts & Science students and our students in the Faculty of Divinity.

As you will read in this year's Student Awards Report, these awards support our best and brightest students in pursuing their passions inside and outside the classroom. Financial support often means students can reduce (or eliminate) the need for part-time work, which frees them to participate more fully in the extra-curricular activities that can so enrich their university experience. Of course, more time to study is also important!

Awards also enable all of our exceptionally qualified students to access a postsecondary education regardless of financial circumstances. From years of reading student letters of appreciation, two common themes emerge – that they feel that a burden has been lifted from their shoulders, and they are inspired to give back when they are able.

Your generosity pays so many dividends. Not only are you giving students the unparalleled gift of education, you are promoting one of Trinity’s best traditions – a lifelong connection to our wonderful College.

I sincerely thank all members of the Trinity community for establishing and supporting student awards at Trinity College, and for being instrumental in the success of our current and future students.

Mayo Moran

“I am most honoured to have been chosen as a recipient for the Drew Thompson Scholarship as an incoming, first-year student to Trinity College in the University of Toronto. Your generosity in funding this scholarship allows me to continue my pursuit in academic excellence while refining my leadership skills through an immersion in College life.” ~ Christine Sutcliffe
Receiving an award is like getting a card in the mail that says "You can do it"; it is the echo of a voice that believes in me. The financial support I received from the sum of my awards means I can quit working part-time and dedicate more time to school because my tuition for the upcoming semester is paid off, thanks to you! More importantly, it means that I have hope for myself and my future. It means someone recognized my efforts, someone saw me and believed that I could do great things. 

~ Anonymous Student
The John Harvey Whiteside Scholarship

In 2010, Trinity College alumnus Jack Whiteside ’63 established the John Harvey Whiteside Scholarship. Providing continuing funding for a Trinity student, the recipients have a strong academic record and community participation. To date, the Scholarship has assisted nine Trinity students achieve their academic goals.

The impact of the John Harvey Whiteside Scholarship is clear to this year’s recipient Zachary Demers, “Not only was it a huge financial aid, it was also a massive vote of confidence. It made me realize how fortunate I am for the friends I have made here who helped me every step of the way. Hearing the news was, without question, the proudest moment of my life,” he says. Zachary continues to play an active role in the College community. “I was a leader for Trinity’s 2017 orientation week. I also am the executive secretary for Trinity College Learning Intimacy Together, Trinity’s brand new club that provides sexual education and positivity,” Zachary says. The John Harvey Whiteside Scholarship will allow Zachary’s involvement in the College to continue while he pursues his degree in Criminology and Philosophy.

Thanks to alumni like Jack Whiteside, the next generation of leaders at Trinity College are assured the support they need to succeed.

Above L-R: Graydon Kelch (recipient since 2016), Jack Whiteside, Provost Mayo Moran and Zachary Demers.

Trinity College Student Awards Report 2017/18
"My family has not had an easy road, arriving to Canada as refugees in 1999. Since my parents were never afforded the opportunity to obtain a post-secondary education, my undergrad experience is my way of making my parents proud. Moreover, I have learned to never take my education for granted, and I am very happy that there are donors who believe in making education more accessible for those who otherwise would have struggled to afford it."  ~ Anonymous Student

Recipient Listing

Every effort has been made to ensure the accuracy and completeness of the listing of student awards granted during the 2017/2018 academic year. Not all established awards are given out every year, based on the availability of qualified recipients who meet the terms of the award or other circumstances—these awards are marked NA for “not awarded”. For the purposes of the listing, students have the option to maintain their privacy by requesting anonymity. Such requests have been honoured through the listing of “Anonymous Recipient/Anonymous”.

General Award Information

**Admission Scholarships:** All eligible applicants to Trinity College are automatically considered for admission scholarships and recipients are notified of the scholarship in their offer of admission. Trinity College awards approximately 90 scholarships per year to incoming first year students. These range in value from $1,000 to $3,500 for one year.

**In-Course Scholarships:** All Trinity students are automatically considered for Trinity College in-course scholarships at the end of their first, second and third years. In order to qualify, a student must complete a minimum of 4.0 credits during the Fall-Winter academic year in question. Scholarship recipients are selected based on their Annual Grade Point Average (AGPA). There is also a wide range of in-course scholarships that require an application.

**Bursaries:** Trinity College bursaries are non-repayable awards designed to assist Trinity College students who have explored all other avenues of financial assistance and who still demonstrate financial need. All bursaries require an application.

**Graduation Awards:** All graduating Trinity students are automatically considered for Trinity College graduation awards. Awards recipients are selected based on their Cumulative Grade Point Average (CGPA). The cut-off CGPA for graduation awards changes each year depending on the number of students eligible for consideration.

For information on the application and selection process for undergraduate Student Awards please visit www.trinity.utoronto.ca or contact: **Nelson De Melo, Director of Student Services & Registrar**, at 416-946-7514 or demelo@trinity.utoronto.ca

For information on the application and selection process for Student Awards through the Faculty of Divinity, please visit www.trinity.utoronto.ca or contact: **Sydney Yeung, Administrative Assistant to the Dean of Divinity**, at 978-2133 or sydney.yeung@trinity.utoronto.ca

Student Appreciation and Contact

Trinity College students are very grateful to benefit from donor support and all student award recipients are encouraged to prepare a thank you letter to the donor(s) of their award. Most students welcome the opportunity to express their appreciation in person. Trinity College also hosts two annual awards events—the Student Awards Reception in the fall, and the Graduation Awards Ceremony in June—to which donors are invited to attend and connect with students.

If you would like to meet the recipient of the award you support, have questions about your award, or would like additional information about supporting Trinity College’s Student Awards Program, please contact: **Meredith Meads, Associate Director, Major Gifts & Gift Planning**, at 416-946-7371 or meredith.meads@utoronto.ca
