

Trinity College Experiential Funding Application

Eligibility Criteria:

Funding is available for full-time and part-time Trinity students to assist with participation in experiential opportunities that do not, in and of themselves, lead to course credit.

The experiential opportunity can occur during the term in which a student is registered, or in a summer session in which a student is not registered, provided they were registered in the previous Fall-Winter term. Funding is not available in the summer session following graduation.

Completed applications should be submitted to the Trinity Registrar's Office.
